Route To:	Information	Action
Biological	<u>Wild horse and Burros</u>	

Subject: AML's for Garfield, Horse Mountain and Pilot HMAs

Horse Mountain HMA : AML is currently zero due to water diversion to the wildlife refuge and this source of water was the only source of water for wild horses and burros.

Pilot HMA: maximum AML is 346; ranging from 228-346; no burros present

Garfield HMA: Max is 415; ranging from 83-125; no burros present.
